Monmouth Rubber & Plastics Corp.
75 Long Branch Ave.
Long Branch, NJ 07740

Dear John & John Jr.

On behalf of the Board of Habitat for Humanity in Monmouth County, I would like to take this opportunity to thank you for your very generous donation of storage space that we were in such desperate need. Please allow me to share with you some of the highlights of what is happening at the affiliate.

Our recent merger with the Western Monmouth affiliate has expanded our service area to encompass 83% of Monmouth County. The merger will allow us to serve many more families in our territory and we are all very excited about that!

Our Sandy Critical Repair programs continue and since the storm we have returned over 80 Sandy impacted families to their homes. Now that the weather is warmer we have started construction on one new home with two more to begin very shortly. Our A Brush With Kindness program will also return with the coming of spring!

On June 18, 2014, Habitat for Humanity in Monmouth County (HFHMC) will host the "From the Glamour to the Hammer" Luncheon/Fashion Show and Gift Boutique Raffle at Branches in West Long Branch. The inaugural event will bring together women from across our community to support Habitat for Humanity in Monmouth County's mission to provide safe and affordable housing in Northeast and Western Monmouth County.

The luncheon serves as the kickoff to our week-long Women Build event starting on July 14, 2014. Proceeds from the luncheon will support the organization's new home construction and Sandy Recovery projects. For more information about the event please visit our website at www.habitatmonmouth.org, or call 732.728.0441, ext. 302.

Again, we thank you and hope for your continued support and generosity. It is because of donors like you that we are able to continue our mission of building decent, safe, affordable housing for deserving families in our community.

Very truly yours,
Nancy Doran
